Special Interest Groups

The SouthSide Comuter Club Tries
to extend it's members interests and
educational desires through the for-
mation of SIG'S (Special Interest
Groups). Our membership completes
a survey at the end of each year to
give the board of directors the infor-
mation necessary to plan meeting top-
ics as well as determining what SIG
groups will be offered in the follow-
ing months. The SIG groups are
scheduled to meet in nights other than
regularly scheduled meeting nights.
If you have any questions about any
of these SIG groups contact our SIG
chairman.

Our Mission Statement

The SSCC is an independent non-
profit organization that is open to
anyone interested in computing. The
SSCC is not affiliated with any busi-
ness. Our purpose is to promote vari-
ous aspects of computing and com-
puter literacy to all age groups. We
are a member of APCUG (The asso-
ciation of PC Users Groups). We
have one general meeting per month
with a guest speaker representing a
manufacturer of hardware/software
or related industries including retail.
In addition we provide seperate Spe-
cial Interest Groups (SIG'S) on vari-
ous subjects determined by our mem-
bership.
