Notes section for tonight's meeting:

Our Mission Statement

The SSCC is an independent non-profit organization that is open to anyone interested in computing. The SSCC is not affiliated with any business. Our purpose is to promote various aspects of computing and computer literacy to all age groups. We are a member of APCUG (The association of PC Users Groups). We have one general meeting per month with a guest speaker representing a manufacturer of hardware/software or related industries including retail. In addition we provide separate Special Interest Groups (SIG'S) on various subjects determined by our membership.

Members:

When your membership becomes 30 days past due all discounts you receive through the club stops.

All Submissions for this publication are due 7 days before the regular meeting.
